President's Foreword

I am absolutely thrilled and delighted to be elected as President of the Welsh Bowling Association for 2018. Diolch yn fawr iawn am y cyfie I fod yn Llywydd am y tymor i ddod. I sincerely hope I can emulate the high standards of my predecessors in holding this prestigious office.

Having started at Maesteg Celtic BC before spending 25 years at Maesteg BC, I have been fortunate to have come through the ranks as Mid-Vale President in 1983, Vale of Glamorgan President in 2000 and represented my county on this Association since 1996. I would like to thank both my club, Dinas Powys and the Vale of Glamorgan for the support they have afforded me and my nomination and to all the counties for pledging their support.

Over the past 7 years as an International selector and Team Manager, I have had the opportunity to witness the game of bowls at the highest level and travelled the world in so doing. As a relatively small nation in terms of playing numbers and funding received, we more than hold our own at the top table, as our Elite players have shown over many years at World and Commonwealth level, including medals at the past 6 Commonwealth Games. The mutual respect between players and officials, on and off the green, all over the world is a great credit to our sport and long may it continue.

My term of office coincides with one of the most challenging financial situations we have faced in some time, and with membership numbers dropping, we must be more proactive in our governance to secure the future of our great sport. While Elite Bowls is a major part of our game, we, as a governing body, must not forget our grass root players and the development of our younger bowlers, the life-blood of our sport. The financial problems are not limited to us solely, our clubs and counties are facing similar situations and we are obligated to help them. However, our sport does not come free on the NHS, there are cost implications to participating in sport and ours is not the most expensive. We must work together to promote our great game and secure its future. With that in mind, the Executive have already acted to this effect and made savings of upwards of £15k in this year's budget, with a small increase in membership costs, the first since 2004, I believe. In so doing, we are acting with due diligence and showing our members we are acting with their best interests at heart, using proper governance.

It must be remembered that, along with the Welsh Ladies Bowling Association, we are the governing bodies in Wales for outdoor bowls. Over the years, funding has been received from the Welsh Assembly Government through Sport Wales, via the Welsh Bowls Federation, which has always been the coordinating body. Sport Wales need to recognise that this is still the case; we are still the governing bodies, despite attempts to the contrary. They, Sport Wales should be supporting the governing bodies and asking us what they can do to help and support our future and enable us to not only to maintain our position at the top table of World Bowls, but to also place important emphasis on developing our game and encouraging participation at club level,

especially young players. We don't need to be told how to run our sport; we have the knowledge and experience. Our funding is minimal compared to other countries even within the UK, and therefore should be maximized to the full. For too long we have lived with threats to our funding unless we comply with their ever changing goalposts. We should be working together directly, more red tape is not required, monies should not be wasted on unnecessary appointments that may be helpful to other sports, but not ours. Decisions on the use of our funding should not be made by third parties who wish to take control of our game but by the governing bodies.

While the future holds financial challenges, it's not all doom and gloom!

The WBA have, on behalf of all bowlers in Wales, ladies and gentlemen, have successfully bid to host the 2019 Atlantic Championships, the qualification event for World Bowls 2020 in Australia. This is the first time ever that these Championships have been held in the principality as a joint event and will afford bowlers throughout Wales to witness Elite Bowls on their doorsteps. Both governing bodies will now work together to ensure a successful tournament and at the same time, showcase Wales to the world as a country more than able to host such a prestigious event in the World Bowls calendar.

At the time of writing, we are waiting to hear the outcome of our funding application to the Welsh Assembly Government. They have been fully supportive throughout the process, recognizing the great opportunity to bring in much needed funding into the Welsh economy. We estimate that together with the 10 Nations Test Series being held at the same venues in Cardiff and the Vale of Glamorgan in July this year, the Atlantic Championships will bring in approximately £1.4 million to businesses in Wales. As a result, the WAG have made it abundantly clear to World Bowls, through their CEO, Gary Smith, that they will be seeking to host World Bowls in 2028. We are most grateful to both Gary and World Bowls President, John Bell, for their outstanding support through the bidding process.

To support me in my year of office, I am very fortunate to have Officials of the highest standing behind me, in Terry, John, David and Ray and also look forward to working with my Senior Vice, Will James, Junior Vice, Paul Watkins and Immediate Past President, John Hague and to seeing you all on the greens during a very busy season. Congratulations to all players selected for CG Gold Coast in Australia in April and hopefully, under Team Manager, David Harding, you will do yourselves and Wales proud. Best wishes to you, the ladies, the para and visually impaired bowlers. Bring home the medals which impact on our future funding. Go Team Wales! Best wishes also to Gerard Thomas, as BIBC President and Mike Franklin as President of the Barbarians.

In closing, may I wish everyone a happy and successful season and the very best of health to enjoy it.

Hon Secretaries Report 2017

Mr President, Officers and Gentlemen,

May I first give my sincere thanks to all the officers and bowlers who did my duties during the several months I was out of action due to major surgery on my back; they did a magnificent job to which I am very grateful for.

2017 started off exceptionally well I accompanied both the ladies (Ysie White) and men's (Daniel Salmon) Under 25 Champions to Australia to compete in the World Youth Tournament held at Broad Beach B C Brisbane in March 2017. Both player's played exceptionally well and Wales came out on top as Daniel Salmon won the title of World Under 25 Champion for 2017, an extremely proud moment for Daniel, Ysie, myself and Wales a wonderful achievement beating all the top Australians in their own back yard.

The Senior Internationals were held in Ireland at the Belmont B C in 2017, a disappointing series where we were so near yet so far away from winning it wasn't for the lack of effort and determination it just wasn't going our way for the games. England 6 points, Ireland 4 points, Wales 2 points, Scotland 0 points. Much the same story for the Junior Internationals held at Llandrindod Wells in 2017, tried hard yet the results were not going our way finished a disappointing last, Scotland 6 points, Ireland 4 points, England 2 points, Wales 0 points

On reflection we need to hold our concentration for the whole of the 21 ends as we have the experience and we have the talent and hopefully in 2018 we can improve on our results.

National finals in 2017 was another tremendous success and the credit for this must go to the 2 Assistant Secretaries David Evans and John Davies who worked tirelessly for the 11 days of the Finals to give us once again a magnificent show piece of bowls. Results:-

D Hookings Caerau Welfare U/16 Champion, R Owen Harlequins U/25 Champion, R Jones Beaufort Open Singles Champion, C Dodge M Wyatt Caerphilly Town Open Pairs Champions, J Rees A Evans M John Whitland Open Triples Champions, J Davies P Carpenter J Breen R Owen Fours Champions, W Jones Senior Singles Champion, A Thomas P Jones Ferndale Senior Pairs Champions, B Jones T Evans K Price Llandrindod Wells Senior Triples Champions W Stanley M Samuel D Mogford G Congriewe Brynmawr Senior Fours Champions. Jack David and Marion Purcell Penylan Mixed Pairs Champions.

September saw the European Championships held in Jersey and Wales won the Mixed Fours Gold medal, another milestone for Wales.

October saw another world class result for Wales David Kingdom went to Australia to represent the W.B.A. In the World Champion of Champions held in Australia and came back with a bronze medal my congratulations go to David for a job well done.

I would also like to congratulate Laura Daniels who went to the same competition to represent the W.W.B.A. and won the gold medal in the ladies event, a marvellous achievement by you both and thanks for putting Wales back on the map.

The Under 18 Test match against England in 2017 was held in Clevedon this year with Wales narrowly losing out to England by 1 shot; hopefully in the future we can expand this competition to include Scotland and Ireland. This result is a reflection on the quality players we now have in our academy they have progressed to a very high level of bowls.

My thanks go to Terry Leighton Development and Academy Manager, and his team for organising the academy events and coaching, and 2018 should be an exciting year for the Academy as there are quality games and competitions in the pipe line

November saw Marc Wyatt and Daniel Salmon go to Hong Kong as a development programme they were unlucky with the results they had, but the experience is worthwhile to play against some of the top players in the World.

2017 saw the demise of the Welsh Bowls Federation and replaced by Bowls Wales, this is now a limited Company and run by a board of directors, they now look after the funding which is handed out to the Welsh NGB's. This funding is causing concern as due to the climate we live in it gets less and less every year, this putting an unwelcomed strain on the NGB's finances. This has resulted in the W.B.A. having to implement cost cutting measures to help finance the cost of running the W.B.A. The positive side the W.B.A. is organising the Atlantic Championships due to take place in 2019, we are in regular touch with the Welsh Assembly regarding funding for the event and should know the result of all the hard work put into organising the event early in 2018, and my thanks goes to 2018 President Alun Hodges who has worked his socks off putting together the requirements for the Welsh Assembly funding.

On the back of this event the countries competing in the Atlantic Championships have asked the W.B.A. could they organise a Test match series in 2018 so they can play on the greens which have been selected for the Atlantic Championship in 2019, this has been arranged with a Test Match series between 10 countries organised for July 2018.

There are lots of exciting things in the pipeline for the future regarding the W.B.A. such as a new web site, change in the way we run the competitions, and improving our governance to name but a few.

The Commonwealth Games takes place in 2018 in Australia and our bowlers who have been selected are:- Steve Harris, Jonathon Tomlinson, Marc Wyatt, Daniel Salmon, and Ross Owen on behalf of the W.B.A. I would like to wish Team Manager David Harding and the bowlers the very best of luck and hopefully return with a few medals.

Congratulations on behalf of the W.B.A. go to Past Presidents: - Gerard Thomas who becomes the B.I.B. C. President 2018 and Mike Franklin who becomes the Barbarians B.A. President 2018.

In conclusion I would like to thank all the Officers and Committee Members, County Secretaries and Club Secretaries, Coaches and Umpires and all Fellow Bowlers for looking after this great game of ours

U18 Test Series Report

This is the third year that we have participated in this event and every year the standard of play has increased and this year was no exception. We were blessed with good weather and a good playing surface. I would like to express my thanks to Bowls England and Clevedon BC who were generous hosts and to the officers and players of the Welsh Women's Bowling Association who definitely contributed to the success of the weekend

Session 1:

We started slowly in both the triples and pairs with the triple of Ben Matthews, Ryan Davies and Eric Hughes dropping a 6 on the first end. This clearly startled the boys who responded well wining the next 3 ends to draw level. What followed was a display of excellent bowling with the Welsh triple moving ahead 16-9 only to drop 8 shots on 2 consecutive ends. They recovered to win the next 4 ends to take the score to 21-17 only to drop a 5 on the last end to lose 21-22.

The pair of Jack Breen and Ethan Humphreys also started slowly. They recovered picking up 10 shots to take score to 13-8 after 11 ends. The English pair then rallied winning 7 of the remaining ends to move in front with one end to play. We picked up a single on the last end to grind out a draw 17-17

Results

Boys Pairs: Jack Breen/Ethan Humphreys	Wales 17-17 England
Boys Triples: Ben Matthews/Ryan Davies/Eric Hughes	Wales 21-22 England
Girls Pairs: Alex Morgan/Rebecca Williams	Wales 9-26 England
Girls Triples: Megan Jones/Lauren Gowen/Sara John-Davies	Wales 12-11 England
Points	Wales 3 – 5 England

Session2:

The mixed pairs/triples followed lunch and despite the mornings disappointments the team spirit had not been affected and all rinks very quickly got stuck in. The standard of play was excellent which kept an excited crowd both entertained and enthralled. We could easily have won all four of the afternoon sessions and at one stage all rinks were drawing with only a couple of ends left to play. An excellent last end by Sara John – Davies who converted a head from 5 down brought in the first result but this was to end up the only points scored in the session.

Results

Alex Morgan/Ethan Humphreys	Wales 13-17 England
Lauren Gowen/Eric Hughes	Wales 21-24 England
Iestyn Williams/Anna Lawrence/Ryan Davies	Wales 13-17 England
Ben Matthews/Rebecca Williams/Sara John-Davies	Wales 20-18 England
Points after 2 sessions	Wales 5-11 England

Session 3:

Following a social evening we gathered on Sunday morning for the final session of fours and singles. Ethan Humphreys representing Wales got off to a flying start and at one stage was 16-9 ahead. A missed opportunity to convert a head for 3 allowed England to pull back to bring the scores to 20-20. Ethan showed his experience drawing shot to win with his last bowl to win 21-20

The Welsh four started poorly and were 11-1 down after 6 ends. They seemed to pull together and the recovery started to bring the score back to 14-15 at 17 ends. The last 4 ends were nail biting with the win going to England by 4 shots

Results

Boys Singles: Ethan Humphreys	Wales 21-20 England
Boys Fours: Jack Breen/Iestyn Williams/Eric Hughes/Ryan Davies	Wales 15-19 England
Girls Singles: Lauren Gowen	Wales 19-21 England
Girls Fours: Alex Morgan/Anna Lawrence/Rebecca Williams/Sara John Davies	Wales 16-26 England
Finals Score	Wales 7-17 England

Can I thank all the Officers>Selectors from Associations, the parents and most importantly the players for making the weekend so enjoyable and for the way they conducted themselves throughout the weekend. Can I express my gratitude to the WBA for giving me the opportunity to be Team Manager for the week end. Hopefully the series will expand in 2018 with Ireland and Scotland joining following a preliminary meeting of the four nations at Llandrindod Wells during the Junior internationals.

22. These rules have been formulated to help the games to be played with as little difficulty as possible to all players. In the absence of any express rule, it is hoped that sportsmanship will prevail and that common sense will find a way to an acceptable solution to any problem that may arise.

Double Rink Competitions

1. The winner of the event will be the county with the most points, two points for a win and one point for a draw. If there is a tie, then the County with the best shot difference will be the winner.
2. If the Counties are tied on shot difference, then the number of ends won over the four games will decide the winner.
3. If the number of ends won is the same, then an extra end or ends shall be played, until one County wins.
4. If a Team is given a Bye, they shall be awarded Five Shots and Eight Ends.
5. In the event of unavoidable circumstances, if Two Rounds have been completed, the Tournament is deemed completed.
6. Any Team failing to turn up will be fined £100.

U18 Three Bowl Pairs

1. If One Pair fails to arrive, the other Pairs in that section will be awarded Two Points and Five Shots each.
2. If any teams are Tied on Points after playing All their matches, the winner will be the one with the greater shot difference.
3. If teams are still equal, then the result of the Head to Head match will decide the winner.
4. The Final deciding factor will be the total number of ends won by each pair during the Four Matches.

INSURANCE

Team Managers Report

I'm sure I'm not alone in thinking that 2017 has flown by. It's been an honour to serve as the WBA Team Manager during the last year. There have been some incredible highs and lows, and great individual and team achievements throughout the year. It would be difficult to mention absolutely everything, so i've picked the following highlights to share in more detail with you.

The WBA bowling year started early in 2017, and got off to a flying start with Dan Salmon winning the World Youth tournament in Broadbeach, Australia. On his way Dan played 9 group games winning them all before proceeding to the knock out stages where he defeated two good Australian opponents on home turf. The WBA recognised this outstanding achievement with a special presentation later in the year at the Junior Internationals in September.

In March, as part of the selection process and preparation for the Commonwealth Games the WBA sent an 8 man team to compete in an 8 Nations test series and Blue Diamond Pairs event. This was held at the same venue that the Commonwealth Games will be played at in 2018 – Broadbeach. Despite having little time to recover from jet lag and acclimatise, (following the dates for the event being brought forward after travel arrangements had been made) all players produced some excellent games.

In the singles and fours events we needed to win our last matches against Malaysia to qualify for bronze medal playoffs. Unfortunately we lost both games narrowly. The Blue Diamond Pairs event boasted a strong field of 58 pairs, and after 2 exhausting days of play (3 full games each day) we had 2 pairs finishing high up the leader board Dan Salmon & Marc Wyatt 6th and Ross Owen and Steve Harris 11th.

In July at the BIBC Championships, Wales produced a strong showing achieving 5 finals, winning the Fours and Triples which was enough to win the overall trophy for the country achieving the mostpoints. Congratulations to the Triples (Ashman, Robins and Taylor) and the Fours (Wheale brothers) on their wins.

The BIBC Senior international that followed were a real mixed bag with the following results:

- Wales 112 England 120. As champions for the last 2 years England would have started this match firm favourites. However this turned out to be an exciting tussle against two evenly matched teams. Wales dominated the early ends then inexplicably lost 40 shots over ends 15 & 16 to go well down then fight back to within a couple of shots over the last few ends. Whilst disappointing to work hard to get into a winning position it was encouraging that the team fought back with magnificent spirit to almost win the match. In terms of rink performance we recorded

- 2 wins, had 3 close games losing by 4 shots or less and only 1 disappointing result losing by 13 shots.
- Wales 136 Scotland 91. Wales continued good form to record an emphatic victory against Scotland. Whilst the Scotland team were missing some of their top players this side almost defeated England in the final match. Wales won on 4 rinks, lost 1 by 1, and 1 by 6.
- Wales 87 Ireland 135. This was a comprehensive defeat. Wales in this game had to move to the A green which Ireland had played their 2 previous matches on. Ireland maximised home advantage on a tricky green from the first end creating a lead of 20 shots by 10 ends and continuing to progress to achieve a comfortable 87-135 victory.

In September, Wales hosted the British Isles Council (BIBC) Junior International Series in Llandrindod Wells. This is a fantastic opportunity for young players to showcase their talents at the highest level in the British Isles. Unfortunately this year was substantially impacted by mucky weather conditions. The games were affected by the rain delay, and flooding and because of heroic effort by the members of the Llandrindod Bowling club we managed to get the games played, albeit the Scotland game was a reduced format. It was disappointing that our home advantage melted away and the results were also very disappointing. We recorded 3 defeats.

- Wales 113 Ireland 126. This was frustrating, because we had dominated the match winning on 4 rinks.
- Wales 120 Scotland 122. This was the second game of the day and the start time was considerably delayed due to the weather. This game could have gone either way, and again we only lost on 2 rinks.
- Wales 109 Ireland 124. In this game Wales recorded 3 rink wins, but overall the performance was lack lustre and mostly likely influenced by being out of contention following the 2 defeats the day before.
-

In completing a whistle-stop tour through the year, I would recognise the outstanding achievements of all our national winners in 2017, including;

- Under 18s: D Hookings
- Under 25s: R Owen
- Singles: R Jones
- Pairs: C Doidge, M Wyatt
- Triples: J Rees, A Evans, M John
- Fours: J Davies, P Carpenter, J Breen, R Owen
- Senior Singles: W Jones
- Senior Pairs: A Thomas, P Jones
- Senior Triples: B Jones, T Evans, K Price
- Senior Fours: W Stanley, J Carey, M Samuel, G Congrieve

- Also, 2017 was a good year for Mid-Glamorgan in winning the County Championship and with Harlequins winning the Carruthers Shield.

The remainder of 2017 and beginning of 2018 will be dominated by preparations for the Commonwealth Games. The nominated players are being put through their paces and will be well prepared to compete at their best. The communication around the selected players is expected in January 2018. The WBA has a proud history of success in previous Commonwealth Games, winning a medal in each of the games going back 20 years from Glasgow 2014. So, we look forward with confidence to being able to extend this record – no pressure!

Following the Commonwealth Games, we will have a busy schedule including the British Isles international events and preparations for the Atlantic Championships here in Wales in 2019.

I've been exceptionally proud of the commitment and hard work put in by all of the players that have represented Wales in 2017. We will do everything that we can to deliver success in 2018 and I look forward to reporting back next year.

The WBA is full of unsung heroes, so to finish, I'd like to pay tribute to all of those people who put the hard work in to supporting our game at all levels. On a personal note I would add that nobody embodied this more to me than the recently deceased South Glamorgan Secretary Allan Blackmore, we will miss him.

Best wishes in 2018.

A. SUBMISSION OF COMPLAINTS

1. Any complaint which is made directly to the W.B.A. should be lodged in writing with the W.B.A. Secretary within 14 days of the incident which gave rise to the complaint. If a complaint has been made to a Club or a County Association, but is felt necessary to refer this to the W.B.A. for further consideration, this referral should be lodged in writing with the W.B.A. Secretary within 28 days of the incident.
2. A date for a Complaints Hearing will be set by the Secretary. Written notice of this meeting, showing the date, time, and venue of the meeting and indicating the matter to be discussed, accompanied by copies of the complaint and any response, will be sent by the secretary to all members of the Complaints

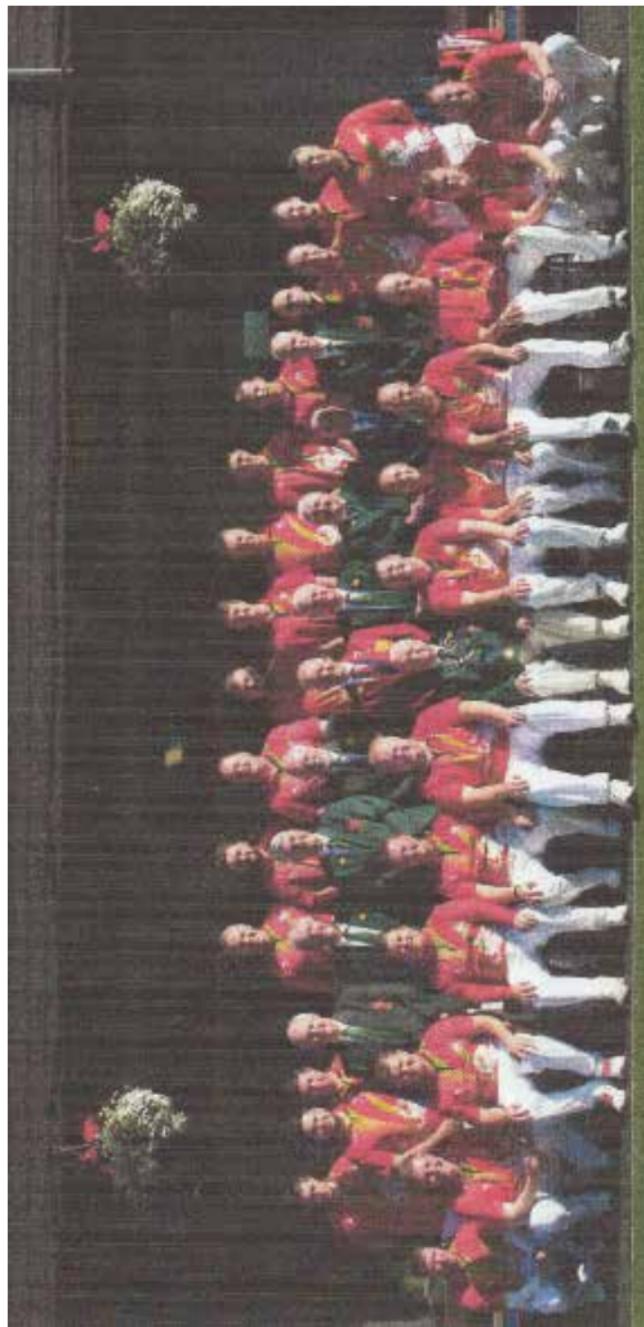

Sub-Committee, the complainant and the person complained against, no later than 7 days prior to the date of the meeting.

B. COMPLAINTS HEARINGS

1. A complaint will be heard by a Complaints Sub-Committee comprised of 3 members of the Executive Committee, one of whom shall be appointed Chairman of the meeting. The meeting will be attended by the Secretary (or an Assistant Secretary), to record the proceedings; he will not be entitled to vote.
2. Individual members, Clubs or County Associations presenting the complaint or being complained against may be represented at the hearing. Both parties to the complaint shall be present while the complaint and response are being heard by the Sub-Committee
3. A written report on the incident which gave rise to the complaint shall be submitted to the Complaints Sub-Committee by the person or organisation initiating the complaint, or their representative. Members of the Sub-Committee may then ask any questions relevant to the issue in order to clarify any point in the report.
4. Following this report, the party complained against or their representative may present their view of events to the Complaints Sub-Committee. Members of the Sub-Committee may then ask any questions relevant to the issue in order to clarify any point in the report.
5. Witnesses shall be limited to one on either side.
6. Following clarification of all necessary points, both parties to the complaint shall be asked to leave the room while the complaint is discussed by the Complaints Sub-Committee, but may be recalled for further clarification if necessary.

C. ADJUDICATION

When the Complaints Sub-Committee has discussed the matter and reached a decision, the Secretary shall, in writing and within 7 days of the meeting, advise both parties to the complaint of the decision reached.

Appointment of Coaches

There is outstanding work being done by many qualified coaches, but it has been brought to the attention of the Association that some Clubs are using unqualified people, not recognised by the Association by virtue of their not having received appropriate training, or by allowing their membership to lapse.*

***(NB: These persons are not covered by the Association's Insurance).**

The Welsh Bowls Coaching Association has qualified coaches spread throughout the Principality. Although we have not yet reached the ideal of a coach in every Club, there are qualified coaches available in all areas. Each area has a Regional Co-ordinator who can be contacted should a club require the use of a coach, who should be willing to arrange training to qualify as such.

Safeguarding and Protection of Children

Every Club which has a member under the age of 18 must appoint a Child Protection Officer. This person has to hold a Disclosure and Barring Certificate and their name and photograph should be displayed in a prominent place in the club. The appointed person should ensure they are knowledgeable about Child Protection and be prepared to attend any training necessary to keep them updated on new developments. The Clubs can contact Mr. Peter Brill, the National Child Protection Officer who will do the necessary paperwork relating to the Disclosure and Barring Certificate.

The Child Protection Policy adopted by the Welsh Bowls Association can be viewed on the Welsh Bowls Federation website. All Clubs are urged to download a copy of the policy and to make it available for reference on their premises. A summary of the policy is available on the Welsh Bowls Association website: www.welshbowlingassociation.co.uk

Drug Abuse in Sport

1. The Welsh Bowling Association is committed to the eradication of drug abuse in sport, and it will strictly adhere to the UK Anti Doping Rules. The W.B.A. supports the policy that will result in bowlers agreeing to undergo drug control tests to ascertain the presence of any forbidden substance in the bowler's body at the time of the test. These rules will be updated on website: www.ukad.org.uk/documents@uk-antidoping-rules/ and the Information for bowlers is available on: www.wada-ama.org/
2. For the information of all members it should be noted that doping is the use by, or distribution to a bowler of banned substances as defined by the I.O.C. Medical Commission, and this is strictly forbidden.
3. In furtherance of this policy, any bowler must, if requested by an official designated by the governing body for the purpose of doping control, submit to a doping control test. Failure to do so will be taken as if a positive result had been obtained, and this will be dealt with accordingly.
4. The identification of a forbidden and/or one of its metabolics, or the presence of specified amounts of endogenous i.e. naturally occurring substances subjected to quantitative analysis in a body fluid, will constitute an offence and the offending player will be penalized. Doping substances for the purpose of this rule comprise the following groups:
 - a Psychomotor Stimulant Drugs e.g. cocaine
 - b Sympathomimetic Amines e.g. ephedrine
 - c Miscellaneous Central Nervous Systems Stimulants e.g. strychnine
 - d Narcotic Analgesics e.g. morphine and heroin
 - e Anabolic Steroids e.g. methandrostenolone
5. In this context it must be emphasized that, for these regulations, caffeine will be dealt with as though it were an endogenous substance.
6. It must be further noted that any person assisting or inciting others in the contravention of doping regulations, shall be considered as having committed an offence against these rules and will be subject to disciplinary action by the Association.
7. Any bowler undergoing medical treatment and in doubt as to whether drugs prescribed and taken by him are likely to fall within the categories listed above, should consult his doctor or, in the case of members of an International Team, his Team Manager.
8. Clubs may be required to make available a private room where a player may submit himself to a doping control test.
9. The World Anti Doping Agency has produced a revised list of banned substances from 1st January 2013. All relevant information can be found on their web site: www.wada-ama.org
