

Welsh Womens
Bowling Association

Following the First Ministers announcement on Friday 19th February, there were no change in restrictions to allow for Bowls clubs to reopen. Wales remain in level 4 with the message 'stay at home'. The next review will take place on 12th March.

The WBA & WWBA are working together with BowlsWales to finalise return to play guidelines in preparation for clubs to return when it is safe to do. This will be communicated to all clubs to ensure appropriate preparation before reopening.

We are all in regular contact with Sport Wales, WSA and Commonwealth Games Wales regarding return to play.

In the meantime should you have any queries, please contact:
