

**JOINT STATEMENT BY THE NATIONAL GOVERNING BODIES FOR THE
SPORT OF FLAT GREEN BOWLS IN WALES.**

The National Governing Bodies (NGB's) have for several months been in discussions with both Sport Wales and Bowls Wales who are the co-ordinating body for the sport of bowls in Wales, to resolve differences that exist between us.

These discussions between the NGB's and the co-ordinating body Bowls Wales are on going and we are hopeful that a resolution will be found in the coming weeks.

We will keep you, our Members updated at regular intervals of the progress being made. Should you require further information please do not hesitate to contact your National Secretary who will be pleased to provide you with the necessary information.
